

# TECK/TSA Competition

## Eastern Kentucky University

### 2015 Theme: Learning to Live in a Technical World

#### T-Shirt Design Contest Rules

DESIGNS WILL BE SCORED USING THE ATTACHED RUBRIC.

1. Art must be computer generated in 2-3 colors. No photographic images will be accepted.
2. The design must be professionally mounted on 10x12 mat board or foam core.
3. The design should be saved in as many formats as are available: eps, wmf, ai are the preferred formats.
4. Create the design for the shirt only: DO NOT include background colors or the design on a shirt.
5. No dark colored shirts will be printed.
6. Designs must be electronically submitted to Dr. David W. Dailey at [dw.dailey@eku.edu](mailto:dw.dailey@eku.edu) prior to the contest. Entries without prior submission of the file will be disqualified. Indicate on the entry form that this has been done.
7. The entry form at the bottom of this sheet must accompany the entry and be firmly attached to the back of the entry. Designs without the entry form will not be accepted.
- 8. Failure to comply with the above rules will result in disqualification.**
9. Entries should be picked up at the place of judging prior to departure. The winning entry remains with EKU.
10. Additional copies of the entry form may be duplicated as needed.
